

Finance and Investment CHALLENGE BOWL

Representative Jason Fields MC's the 2005 FICB.

The Finance and Investment Challenge Bowl™ (FICB) is a semester-long study program culminating in a college bowl format quiz competition designed to help promote financial literacy among youth by testing their knowledge about personal finance and investing. The Competition features teams of four students (each team may have one alternate who rotates in) who compete for prizes including trophies and savings bonds.

All FICB teams will be led by coaches (qualified adult supervisors, teachers, parents, or educators) who will motivate students to study and prepare as a classroom or an after school activity. Coaches **do not need to be experts on personal financing or investing.** However, coaches must be enthusiastic leaders dedicated to helping students learn!

Asset Builders gratefully acknowledges the assistance of Precision Information, LLC.
