

Finance and Investment CHALLENGE BOWL

Representative Jason Fields MC's the 2005 FICB.

The Finance and Investment Challenge Bowl™ (FICB) is a personal finance study program culminating in a college-bowl quiz competition, and aligns with statewide standards in Economics and Personal Finance. The FICB features teams of four students who compete for prizes including trophies and savings bonds. Each FICB team is led by an adult coach who helps the students prepare, as a classroom or an after school activity. Coaches **do not need to be experts on personal financing or investing—but** must be enthusiastic and dedicated to helping students learn!

Visit www.FICBonline.org to view study materials and practice tests (click "Learning Center" for study materials and "Register and Play" for practice tests). Visit www.mygreatlakes.org to view college prep, personal finance, and financial aid materials (click "College Access").
